

2017 High School Advanced Summer Program

\$500

The program is designed for the *high school competitors* that wish to learn golf at an accelerated rate from John Appleget, PGA. This program makes a commitment to weekly multi hour group sessions, along with Individual Coaching Upgrade options. Our goals are to develop skills to play collegiate golf.

The junior will receive: video instruction, short game and full swing techniques, and private TrackMan Practice Sessions. **We will work extremely hard on many short game techniques, and also develop strong ball striking skills.**

Fee: \$500 (\$50 each)
